

As 2008 is the 60th Anniversary of ISGC, the board has decided to offer the *EQ* DVD disk with a special membership package until the end of 2008. During this time, the DVD will be available for \$40 (post paid), and this price will include a membership to ISGC, which normally costs \$18 in the US, Mexico, and Canada, \$15 in Guatemala, and \$22 in other countries. Members who want the DVD should take advantage of this special to renew their membership for 2008. The DVD is available for \$20 through 2008 to lifetime members, and to those who have already paid their 2008 dues. Those not wanting the DVD may join or renew as usual. After 2008, the DVD price will be \$35 for members and \$45 for non-members, with the memberships available separately at their usual cost.

To order your DVD and renew your membership, fill out the enclosed form and send it with \$40 to:
